

Recommended Order of Study

Welcome to Third Millennium Ministries! We are pleased that you have chosen to advance your biblical knowledge using our materials. Please be aware that the courses offered at thirdmill.org and myThirdmill.org are completely self-directed. (For directed studies leading to a certificate, see Thirdmill Institute. To pursue an accredited degree, see Thirdmill Seminary.)

This curriculum is designed to be used in support of existing schools, as well as by groups and individuals. You can implement the lessons in any manner you choose. In addition, our curriculum is a work in progress. Lessons are made available on our website as soon as they are completed. As our curriculum grows, so do the variety of options for use.

While there are many good ways to work through our curriculum, below you will find a recommended order, modeled after the order used by Thirdmill Institute. The content is divided into three "years" with two "semesters" each, though you may complete the curriculum more quickly if you desire.
