#### **ABOUT THIRD MILLENNIUM MINISTRIES**

Founded in 1997, Third Millennium Ministries is a non-profit Evangelical Christian ministry dedicated to providing:

#### **Biblical Education. For the World. For Free.**

Our goal is to offer free Christian education to hundreds of thousands of pastors and Christian leaders around the world who lack sufficient training for ministry. We are meeting this goal by producing and globally distributing an unparalleled multimedia seminary curriculum in English, Arabic, Mandarin, Russian, and Spanish. Our curriculum is also being translated into more than a dozen other languages through our partner ministries. The curriculum consists of graphic-driven videos, printed instruction, and internet resources. It is designed to be used by schools, groups, and individuals, both online and in learning communities.

Over the years, we have developed a highly cost-effective method of producing award-winning multimedia lessons of the finest content and quality. Our writers and editors are theologically-trained educators, our translators are theologically-astute native speakers of their target languages, and our lessons contain the insights of hundreds of respected seminary professors and pastors from around the world. In addition, our graphic designers, illustrators, and producers adhere to the highest production standards using state-of-the-art equipment and techniques.

In order to accomplish our distribution goals, Third Millennium has forged strategic partnerships with churches, seminaries, Bible schools, missionaries, Christian broadcasters and satellite television providers, and other organizations. These relationships have already resulted in the distribution of countless video lessons to indigenous leaders, pastors, and seminary students. Our websites also serve as avenues of distribution and provide additional materials to supplement our lessons, including materials on how to start your own learning community.

Third Millennium Ministries is recognized by the IRS as a 501(c)(3) corporation. We depend on the generous, tax-deductible contributions of churches, foundations, businesses, and individuals. For more information about our ministry, and to learn how you can get involved, please visit [www.thirdmill.org](http://www.thirdmill.org).

## **COURSE DESCRIPTION**

This course is an introduction to the doctrine of man. In every culture throughout history, people have asked questions such as, "Who are we?" and "Why are we here?" The Bible tells us that we are God's images, created to rule over creation on his behalf and to turn the world into his earthly kingdom. Sin has damaged us and complicated our work, but by God's grace in Christ, we can be restored and our work can be completed. This course is based on the lecture series, [\*What is Man?\*](#), produced by Third Millennium Ministries and hosted by Dr. Greg Perry with contributions from a variety of professors.

## **PROFESSORS**

In this course a wide variety of professors from different backgrounds and different denominations participate in the making of the videos. That list has been given at the bottom of this syllabus.

## **GOALS AND OBJECTIVES**

### **GOALS**

In this course, we would like to accomplish the following:

1. We hope you will make use of all the instruction elements of the course to understand man's origin, composition and purpose, explore the origin of sin and its consequences, and examine humanity's covenant relationship to God.
2. We hope you will develop a greater love and appreciation for man as you learn more about him.
3. We hope your greater understanding of man will lead to changes in your life, especially in the way you treat others and in your attitude toward yourself.

## OBJECTIVES

When you have done the following, it will show that the goals are met:

1. Obtain satisfactory grades on the tests, demonstrating that you can do the following: a) identify the biblical teachings about the origin of man, his composition, and his purpose, b) identify the biblical teachings about the origin of sin, its meaning, and its consequences, c) identify the aspects of God's covenant with man, the work of Christ as mediator, and the unique character of each stage of its administration.
2. Answer the application questions in the study guides, expressing how you treat others.

## THE FACILITATOR

This course is designed to be studied in a group with a facilitator, supervisor, or mentor. If you do not have a facilitator, you may wish to speak with your pastor or some spiritual leader in your church. The facilitator should read the "General Guidelines for Facilitators."

## OTHER MATERIALS

Besides this syllabus, there are other resources you will need for this course. They should be available in the same place, or same folder, where you found this file. If not, talk to your facilitator.

## CREDIT

Third Millennium does not offer credit for their courses. However, the materials are offered freely to any institution that would like to use them. If the student would like to seek credit for the course, he should consult with the authorities of the institution to see about their requirements and expectations.

## THEMATIC OUTLINE OF THE COURSE

1. In the Beginning
2. The Image of God
3. The Curse of Sin
4. The Covenant of Grace

## GENERAL EXPLANATION OF ASSIGNMENTS

The guidelines for assignments below are meant to be suggestions. Each group or academic institution may customize the course according to the needs of their students. For example, some may prefer to require the additional reading, while others may not. The same applies to the optional written project. Furthermore, some may prefer to meet once a week, while others prefer to meet more often or less often. Some groups may prefer to restructure the assignments to fit a regular pattern of classes, possibly a period of eight weeks, for example.

Don't worry about the details now, since they will be given to you as you go through the assignments of each session, but in order for you to know what to plan for, the suggested assignments can be summarized as follows:

## **The Lectures**

1. Watch the video lectures (or listen to the audio, or read the text version).
2. Complete the study guides for each section of each lesson. This includes writing notes on the lesson while using the outline provided, answering the review questions, and answering the application questions.
3. Take the tests on each lesson. These will be administered in the classes. (For credit, they must be graded by the authorities of the academic institution where the student is seeking credit.)

## **Optional Additional Reading**

Read the additional reading. This may be done in two different ways, according to the agreement you have with the facilitator or academic institution. Option 1: Read the selected additional reading provided for this course, and take the test on it. Option 2: Read at least 300 pages of additional reading that you select from the list of "Recommended Extra Reading." In this case, you should turn in a written report on each book or article, using the "Form for reading reports." (For credit, these reports must be turned in for evaluation.)

## **Optional Written Project**

Write an 8-10 page project, following the instructions found below. (For credit, this must be turned in for evaluation.)

## **GRADES**

We recommend calculating the final grade as follows, depending on the option selected:

- a) Without the additional reading or written project:

Each test is 25%.

- b) Including the additional reading, but without the written project:

Each test is 20% (total: 80%).  
The additional reading is 20%.

- c) Including the written project, but without the additional reading:

Each test is 20% (total: 80%).  
The written project is 20%.

- d) Including both the additional reading and the written project:

Each test is 15% (total: 60%).  
The additional reading is 20%.  
The written project is 20%.

## SPECIFIC ASSIGNMENTS FOR EACH SESSION

These plans are only suggestions. Your facilitator may decide to modify them , as he talks things over with the group.

  - 1) What are the main components of man? What difference does it make?
  - 2) How long has man been on the earth? What difference does it make?
  - 3) What is the image of God in man? Why is this important?
  - 4) What is common grace? Why is this concept important?
  - 5) How did the Fall affect man? What is total depravity?
  - 6) Pelagius versus Augustine on the effects of the Fall on man
  - 7) What is the Roman Catholic view of the nature of man as created and of the effects of the Fall on man?
  - 8) What is the Roman Catholic view of prevenient grace? How does it compare to the Arminian view?
  - 9) What is the Reformed view of the effects of the Fall on man?
  - 10) Why did God allow sin?

5. Write a rough draft of the project.
  - a. Be very careful to follow the "Guidelines for Writing an Essay."

  - c. Explain the questions that you are especially researching. In the main body, you should include possible answers to your questions that others offer, then give your own conclusions and back them up.
  - d. Include a conclusion, summarizing your answers.
  - e. Make sure to add footnotes where you have used ideas from another source (even if you do not quote the source directly), and include a bibliography at the end.
6. Finish the final version of the written project. Correct any grammatical errors or spelling mistakes. Read it aloud and make sure it is easy to understand. Polish it until it is publishable. *Be prepared to turn it in.*
